

## Sauna

Watkins Wellness (“Watkins”) warrants to the original consumer purchaser (“you”) the following about your new Lifesmart™ sauna (“Sauna”), when purchased from an authorized retailer.

**1 Year Infrared Emitter**  
Watkins warrants the Infrared emitter of the Sauna against defects in materials and workmanship for a period of one year from the date the Sauna is received by you or your authorized representative (installation contractor, etc.).

**1 Year Wood Cabinetry**  
Watkins warrants the Wood Cabinetry material to be free from defects in materials and workmanship for one year from the date the Sauna is received by you or your authorized representative (installation contractor, etc.). This warranty specifically covers the cabinet’s structural integrity (exclusive of surface stain), including the material and assembly. Since the wood used in sauna manufacturing has been kiln dried, a certain amount of expansion and contraction is to be expected in a typical sauna environment. This may result in minor cracks under normal use which are not covered under this warranty.

The cosmetic finish of the wood cabinet is warranted to be free from defects in materials and workmanship at time the Sauna is received by you or your authorized representative (installation contractor, etc.). Fading and weathering of the surface may naturally occur over time and are not considered defects. Refer to your Sauna Owner’s Manual for proper care and maintenance instructions.

**1 Year Control**  
Watkins warrants the Control of the Sauna against defects in materials and workmanship for a period of one year from the date the Sauna is received by you or your authorized representative (installation contractor, etc.).

**1 Year Music**  
Watkins warrants the Bluetooth Sound System of the Sauna against defects in materials and workmanship for a period of one year from the date the Sauna is received by you or your authorized representative (installation contractor, etc.).

**1 Year Light Assembly**  
Watkins warrants the Light Assembly, which consists of all lights within the Sauna against defects in materials and workmanship, for a period of one year from the date the Sauna is received by you or your authorized representative (installation contractor, etc.).

The following applies to each of the warranties listed above:

### Extent Of Warranty

This warranty extends only to the original consumer purchaser of the Sauna when purchased and originally delivered to you or your authorized representative (installation contractor, etc.). This warranty terminates upon any transfer of ownership of the Sauna or if the Sauna is installed or relocated outside the country of purchase by the original consumer purchaser prior to the expiration of the warranty period.

### Limitations

Except as described above, this warranty does not cover defects or damage due to normal wear and tear, improper installation (including outdoor installation), alteration without Watkins’ prior written consent, accident, acts of God, misuse, abuse, commercial or industrial use, use of an accessory not approved by Watkins’, failure to follow Watkins’ Pre-Delivery Instructions or Owner’s Manual, failure to follow maintenance instructions or repairs made or attempted by anyone other than an authorized representative of Watkins. Alteration includes, but is not limited to, any component or change, or electrical conversion. You can call (888) 961-7727 for a list of manufacturer-approved accessories.
